

Introduced by Senator Runner

February 17, 2005

An act to amend Section 47607.5 of the Education Code, relating to charter schools.

LEGISLATIVE COUNSEL'S DIGEST

SB 430, as introduced, Runner. Charter schools: appeals.

Existing law permits a charter school to appeal the denial of the renewal of its charter under certain procedures in existing law.

This bill would, during the pendency of that appeal, permit the charter school to continue to receive funds it would have otherwise been entitled to receive if the renewal been granted.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:
